

New revenue for you...

All-in-One

affordable POS solutions for your merchants

One solution; always-on transaction processing, premium components, award winning software, and expert support

Good for You!

- >> Boost your bottom line through increased transactions and hardware sales
- >> Penetrate new vertical markets
- >> Bring more value to your merchant relationships
- >> Increase merchant retention, create stickiness
- >> Decrease merchant attrition and prevent unethical equipment swaps

Good for Your Merchants!

- >> Upgrade outdated, standalone transaction processing equipment
- >> Streamline inventory management and reporting
- >> Speed up customer check-out
- >> Instant inventory and price checks
- >> Create and manage in-store sales campaigns to increase customer purchases
- >> Get to know your customers, when they visit and what they buy
